1. Label the parts of a plant.

2. Read the poem and answer the following questions.

Parts of Plants Song

Oh, do you know the parts of plants,
The parts of plants, the parts of plants?
Do you know the parts of plants?
That makes them grow and grow?

The roots, they hold the plant in place,
The plant in place, the plant in place.
The roots they hold the plant in place
Soak up food and water, too.

The stem moves water up the plant,
Up the plant, up the plant.
The stem moves water up the plant

Brings water to the leaves.

The leaves soak up the rays of sun,
The rays of sun, the rays of sun.
And help the plant make food.

The flower grows into a fruit,
Into a fruit, into a fruit.
The flower grows into a fruit, which holds the tiny seeds.

Now you know the parts of plants,
The parts of plants, the parts of plants,
Now you know the parts of plants,
That make them grow and grow.
