Day 2

1. Have you seen this, before? If yes, where?

2. In which season do you get to see it?

3. Radha has a very beautiful garden in front of her house. Every day twice she goes there for walk. One night it rained heavily and she could not go for a walk. Next morning when she entered inside the garden and to her surprise, it was full of fluffy umbrella-like patches growing in moist soil. She started wondering, where did it come from? how did it grow within a day? Will you help her to find the answer?

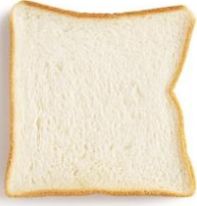

4. Where do they get food from?

5. Are they plants? Give reason.
